

## ***The KillWare Chronicles* – by K. D. Kragen**

### **BIKER BOOK SIGNING**

**Saturday, June 19, 2004, 10:00-3:00**  
**At Burton Motorsports, Suquamish, WA**  
**Coffee, Snacks, Stuff**

### **Meet Veronica!**

Appearing in her first starring role in *The Wastes* (sequel to *KillWare*) — both novels now available in one hardcover double volume: *The KillWare Chronicles!*

Here is a picture of *Veronica* (a classic 1985 Vmax) at her favorite biker hangout, **Burton Motorsports**.

"Boys called themselves the wastes, *los desechos*. The girls, the toxics. Dredged up old disks of Metallica, MachineDeath, La Familia Necrophilia, 1910 Fruitgum Company, obscure Industrial Matrixpunk and Bubblegum Rock & Roll. Lived in holes tunneled into landfills, abandoned dumps, lowlevel toxyards. They skillfully rigged scavenged electrical cable to nearby transformers. Hotwired their dens with ripoff city power so they could run their precious CD's. Gang colors were black and yellow, color of police tape used to cordon off a crime scene, color of radwaste warning signs; tag was a circle with three upside-down triangles in it, sign of the devil, radiation danger. They were outcasts. Cave dwellers. Abortions that wouldn't die. The next generation."

"Tomorrow. Or maybe the day after. Some of the events in this story have yet to happen. The worst ones have already begun."
