

1985 Yamaha Vmax "Veronica"

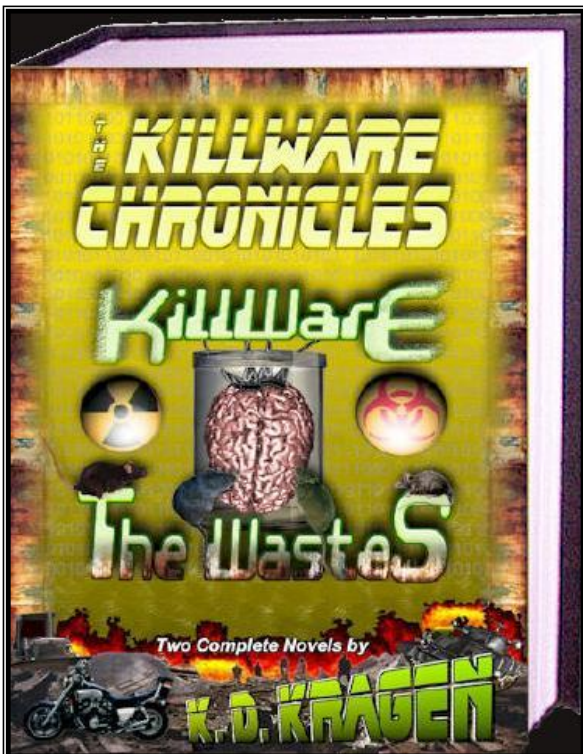

This Classic first-year Vmax came off the line as the world's fastest production motorcycle!

Veronica!

Appearing in her first starring role in the sci-fi novel **The Wastes** (sequel to **KillWare**®) – both novels now available in one hardcover double volume. **KillWare III** came out 2016.

The KillWare Chronicles!

To your right is a picture of **Veronica** at her favorite biker hangout, Burton Motorsports in Suquamish, WA.
